Kutztown Wrapup...The Best Yet

The "Kutztown" Report – Spring 2005

By Dave Snellman & Dave Abramson

What a difference a couple of months make. The last time we had a radio swap meet at Kutztown we were up to our octals in hurricane Ivan and all its fury. Well, this time the weather cooperated very nicely. Although a little cool on Saturday morning, then entire meet was rain free.

What can humble reporters from the DVHRC say about this show other than a huge "thank you" to all of the volunteers, dealers, buyers, tube kickers, jukebox fans, and the owners of the exploding mobile kitchen (I told you to change the caps in that thing) for making this the best Kutztown yet.

When the president of "that other show" came to visit, we knew we had arrived. And arrive we did! The sellers list topped over 200, including our friends

friends from the Jukebox Society. Many states and two other countries were there to sell and many more buyers from as far away as California.

The show started off on our growing Friday start with brisk sales starting around noon and going throughout the day. By sunrise on Saturday, the incoming caravan of sellers and buyers started the first overflow we have had, sending some sellers to the next pavilion.

KUTZTOWN!

This Friday and Saturday

**Back to Telford
June 14th, 7:30pm**

*Newsletter of the
Delaware Valley Historic Radio Club
P.O. Box 5053
New Britain, PA 18901
www.dvhrc.org*

The club table held the "raffle radio" on display for all to see. Tickets sales were very good. Total sales came to \$391.00 – a nice radio did manage to go home with a lucky winner.

The folks from Renniger's really make this meet possible. The tables, the set-up, the whole thing is done by them. An updated PA system helped "get the word out" to all present. They were even around taking reservation for the September meet. Quite a few vendors were taking them up on the deal to insure they'll have a space in September.

This reporter brought eight televisions to part with, and I said goodbye to six of them. And there on the floor was that Radiola 60 cabinet I needed. Cheap! If you needed a new grille for your AK cathedral, it was there all the way from New Zealand. Beautiful battery sets all around. Consoles by the truckload. Show pieces and not-ready-for show pieces.

What would "Kutztown" be without an auction? This year was a record-breaker. We had 299 lots – up 180% from September! The auction proceeds were up 250% from September! The auction lasted almost four hours and the board of directors is going to look at that situation. Here's a short recap. Auction sales total \$1,898.00. Donation items revenue \$546.50. Commissions \$135.15. # of lots 299.

When all was said and done, the club found itself almost \$1600 in the black as a result of auction sales, the raffle, and tube sales. There are still a few expenses to factor in; however, it's apparent we did very well this time.

The next meeting of the DVHRC will be on Tuesday, June 14th at 7:30 PM at the Telford Community Center. See you there.

"I could have gone home an hour after I arrived Friday but I'm glad I stayed... Great meeting everyone! "

"I really enjoyed the Kutztown meet!! What a great bunch of easy goin' radio guys! None of the crap you take at Roch----. It's easy to see why this show gets bigger every time, while others grow smaller year after year."
